Dear Parent/Carer,

A plan has been created to assist school leavers in the Transition Education Team.

Funding assessments titled *Student Needs Assessments (SNAs)* have been conducted by the Futures for Young Adults Planner (FFYA) and will be sent for analysis. Once reviewed, the FFYA Planner will be notified of the funding level each student will receive when they leave school. Families will be informed once funding has been determined.

Individual transition planning meetings will be held with families in Term Two to discuss possible destinations for students once they leave school and what will be required to help the transition process.

Visits to venues such as *Benetook Chooks* and Christie Centre sites (*Life Skills on Pine*, *ArtRageUs* etc) will commence later this term and continue in Term Three.

Once destinations for school leavers have been determined, families and staff will organise individual transition plans for students. These plans will contain details regarding days, times and venues. Transition for students to their post school venue generally commences in Term Four.

If you have any questions about the process please don’t hesitate to contact the school
