Feeling unwell? 

Case managers work with clients to develop a support plan and assist with accessing appropriate services to maintain their well-being. 

What does a case manager do?

They... 

- Have a career who needs support in order to maintain their work. 
- Want to remain living at home in their local community for as long as possible. 
- Have multiple needs affecting their independence and ability to maintain their role. 

Who can refer?

Any person can make a referral for case management. 

Fees apply for some packages.

Fees are available on our CMS offices or by calling one of our CMS offices. 

Who can refer?

A written or verbal consent by you or your authorized representative must have been obtained by the agency referring you for case management. 

Making a Referral

To make a referral, send the service co-ordination tool referred to one of our offices. 

Required forms are:

- Confidential referral cover sheet 
- Consumer information 
- Consumer consent 
- Summary of referral information 

These forms are available on www.communitycare.com.au...
