Principal's Report

Welcome to Term Two.

Facilities: During the holiday period new gates were installed at the front of the school and painting occurred at the school entrance area and throughout the courtyard area. Yellow has been chosen to highlight poles for those students with vision impairment. Shade sails in the courtyard will be replaced in the next two weeks. Further painting will occur in our maintenance program. The colour scheme is certainly a change.

NDIS: Parent information sessions- Introduction to the NDIS at Mildura Specialist School in the (Multi-Purpose Room) **Tuesday 15 May 2018** 9.30 – 10.15am and 1.30 – 2.15pm.

If you are interested in finding out about NDIS including what is involved in preparation for planning, please come along to one of our information sessions. You will be able to ask questions about what this means for your child. Our school therapists will provide a short presentation with question time to follow.

Disability Expo: The annual Disability Expo will be held on **Tuesday 22 May**. This is a great opportunity to learn about disability support services and employment options for people with a disability.

On Tuesday, an ANZAC service, coordinated by Mrs Terry Dyke was held at school. Senior students presented video clips and songs and read poems and stories. Mr Don Mayne played the bugle and our students were amazing in the respectful manner they listened to the service. Students also presented wreaths and work prepared in classes.

SWPBS—School Wide Positive Behaviour Support

This Term our students will be learning about Being Safe and Being Respectful in their classes. Please find two tips for helping your child at home.

Prepare for challenging situations

If you think about challenging situations in advance, you can plan around your child's needs. Give them a five-minute warning before you need them to change activities. Talk to them about why you need their cooperation. Then they are prepared for what you expect.

Maintain a sense of humour

It often helps to keep daily life with children light. You can do this by using songs, humour and fun.

ART & MUSIC AWARDS

Congratulation to Malika from Later Years for doing an impressive art work for this fortnight.

NEWS AROUND THE SCHOOL

The Early Years' students have been learning about ANZAC day. During the special ANZAC assembly, each student took their poppy to the front of assembly in respect for all the men and women who fought and still fight for our country. The bugle was the highlight again this year. Students in Room 2 also

made ANZAC biscuits and poppies this week. Term Two's Humanities topic is 'Animal Classifications'. Classes have begun discussing different animals native to both Australia and other countries.

Students have been introduced to coding and have been engaging with using basic inputs and algorithms.

Welcome back to Term Two! Last week was spent getting back into our daily school routine. This week has already been busy with some students attending Jane Thompson

and James Rigby's Choir Workshop on

Monday afternoon. This workshop may lead to some of our students participating in a community and school performance at Wentworth Town Hall in May.

In leading up to Anzac Day, all UMY classes had been working on the ANZAC theme through craft, reading and writing, as well as enjoying ANZAC biscuits. Our students attended the Special Anzac Day Assembly on Tuesday, placing poppies and rosemary under our school flags in remembrance.

Through our Science topic, Isac from Room 24 was looking to see what things will dissolve in water.

Tulisha, Baturay, Katie K, Nathan and Jessiedean attended the 2018 Blackwood Alpine 100 Bike Ride in the last week of Term One. They all did an amazing job completing the ride; excellent attitude and great perseverance. Mark, Erica and Jodie are very proud of their efforts. Congratulations to Jessiedean on being presented the Willcock Medal for being a fantastic

SRC NEWS

Thank you to Terry Dyke and SRC students - Kyle, Sienna, Thai, Andrew and Jai who created a beautiful ANZAC assembly for the school on Tuesday.

Term Two has SRC doing lots of planning for sporting activities. Next week we will have a House Group Get Together. Students in the SRC are organising co-operative games for students to play in their House Groups (Blue – Blue Tongue Lizards, Yellow – Yellow Pythons, Red – Red Kangaroos and Green - Green Tree Frog). We would like to welcome the house captains as part of our student leadership team. Red – Matilda and Nathan, Green - Cassie and Murray, Blue – Katie and Matthew and Yellow - Katelyn and Jessiedean.

Jump Rope for Heart has now finished. We are waiting for sponsorship forms to be processed. When the prizes arrive we will let families know and do a presentation at assembly.

We were very happy with the support of Sports for Schools Coles vouchers. We have been sending full bags and will continue to send ones that are still coming in. Classes have been making a wish list for PE and Yard Play equipment. Thank you everyone that sent or dropped their Coles Sport for School Vouchers into our containers.

Cyberbullying

Cyberbullying is widely accepted as a very difficult area to manage for parents, carers and schools. The following is some useful information sourced from a cyber bullying website to provide to young people:

- Keep a record (including time and date) This may help you (or the police) to find out who is sending the messages.
- Tell someone Talk to someone you trust, a parent, friend, school counsellor or teacher.
- Contact your phone or internet service provider and report what is happening They can help you block messages or calls from certain senders.
- If messages are threatening or serious get in touch with the police Cyberbullying, if it's threatening, is illegal. You don't need to put up with that!
- **Don't reply to bullying messages** It'll only get worse if you do. By replying the bully gets what he or she wants. Often if you don't reply the bully will leave you alone.
- Change your contact details Get a new user name for the internet, a new e-mail account, a new mobile phone number and only give them out to your closest friends.

Keep your username and passwords secret – Keep your personal information private so it doesn't fall into the hands of someone who'll misuse it.

At the Mildura Specialist School cyber bullying is identified as a serious issue and is addressed in the Student Engagement Policy. The policy assists parents/carers and students to identify the meaning of cyber bullying, ways to protect yourself and the school's stance on this type of behaviour.

I am available to speak to any student who would like more information on this subject or would just like to speak to me about this subject, please do not hesitate to come and see me.

Is a non for profit organisation that offers support to parents and carers, who have care for children and/or adults that are on the autism spectrum. The main focus of the group is to offer support as well as organise a number of events throughout the year, and the only way to achieve this is through raising funds. This is why we are so excited to be having a fund raising might at the Pitza Café, to help the group raise funds for this year's events. We are very thankful to the owner/s of Pitza Cafe for holding this wonderful evening, and we look forward to seeing you there.
