

12 February 2021

Dear Parent and Carers,

In line with the directions issued from Victoria's Chief Health Officer, all Victorian schools will move to a period of remote and flexible provision from Monday 15 February to Wednesday 17 February inclusive.

**Schools must continue to provide on-site supervision for students in the following categories:**

- Children whose parents are considered essential workers, cannot work from home and where no other supervision arrangements can be made
- Vulnerable children

Transport services will continue for students attending.

During this period, we will to the extent possible, enable continuity of learning from home. This will include remote learning programs and/or the provision of learning materials. Please see the resources and activities on our website for ideas.

Teachers will be in contact on Monday.

Please continue to check our website and your emails for information. We hope everyone can return on Thursday. Thank you for your support during this time.

Kind Regards

Penny Hale

Principal
